Tender documents against

NIT No. **ITPS (Purchase)/2020-21/23(P) dtd 25.12.2020** for Supply of High Chrome Grinding Media Ball to IB Thermal Power Station

Date for Issue of Tender Paper	01/01/2021 to 18/01/2021
Last Date of receipt of Bid	18/01/2021 by 15.00 hours
Date of Tender Opening (Technical bid)	18/01/2021 by 15.30 hours
Opening of price bid	To be intimated later on
Cost of Tender Paper	Bidder may download tender paper from our website free of cost.
Earnest Money Deposit	Rs.2,40,000.00(Rupees Two Lakhs Forty Thousand only)

Note: Before Submission of bid please ensure proper documentation is made as mentioned in the bid.

NOTICE INVITING TENDER

Two bid system sealed bids in the prescribed format are invited for supply of the following item to IB-Thermal Power Station, Banharpali as per the tender terms & conditions stipulated in the tender documents.

Tender No.	Description	Bid Sale / Issue date	Bid receipt / Opening	Bid Type
NIT No. ITPS (Purchase)/2020-21/23(P) dtd 25.12.2020	Supply of High Chrome Ball as per Technical specification to IB Thermal Power Station	01/01/2021 to 18/01/2021	18/01/2021	Two Bid

NB: (i) Time of submission/Receipt of bids: up to 15:00Hrs, (ii) Time of opening of bids: 15:30Hrs.

Tender Document will be available free of cost as per schedule mentioned up to 15:00 Hrs. from the office of the GM -SCM, ITPS, Banharpali, Jharsuguda. Detailed NIT is also available at our website www.opgc.co.in. Any amendment and corrigendum to this NIT shall be posted in OPGC web page only.

*Firms are requested to visit our website regularly for any amendment of the present bid till finalization of bidding process and information for participation against various tenders. **Tender documents can also be downloaded from our website.***

M/s OPGC Ltd. reserves the right to accept/reject/split any tender without assigning any reason thereof and will not be responsible for any delay in postal/courier.

Firms interested for registration for supply of different materials may submit application in the prescribed vendor registration format available in our website.

Sd/-, GM-SCM,

Odisha Power Generation Corporation Limited

IB Thermal Power Station

Check List for Bidders Prior to Submission of Bids

Sl. No.	Description	Yes/No & page reference
1	Whether the Technical Bid and Price Bid are submitted in separate covers and both the covers enclosed in a common envelope.	
2	Whether envelope A contains:	
	a) Earnest Money Deposit (EMD) amount	
	b) Pre-Qualification details as laid down in the Tender under Eligibility Criteria.	
	c) Technical Bid in the original Tender document and other supportive documents	
	d) The Profile of the Company	
	Letter of Authorization for signing the Tender document.-	
	f) The filled up and signed Technical Specification -	
	Audited Annual report for the previous two years	
	h) Certificate of incorporation of the company	
	i) Whether all the pages of the tender documents including of Annexures signed with official seal.	
	j) Blank Price Bid mentioning XXXXXXXX where ever price is quoted as per their bid submitted in Envelope-B	
3	Whether Envelope-B contains:	
	Filled up and signed Price Bid documents in the price bid form in full, with price details	

Odisha Power Generation Corporation Limited

IB Thermal Power Station

Tender Specification for supply of High Chrome Balls for MILL BBD 4760 to IB THERMAL POWER STATION

Ib Thermal Power Station, At/PO: Banharpali, Dist. Jharsuguda (Odisha), PIN: 768234 is a unit of Odisha Power Generation Corporation Limited a Govt. of Odisha undertaking in joint Venture with AES America and engaged in generation of 2x210 MW Thermal Electric Power. The Plant site is about 17 Kms. from Belpahar Railway Station and 40 Kms. from Jharsuguda Rly. Station on S.E. Rly. on the Mumbai- Howrah main line.

Sealed tenders are invited from the reputed manufacturers only in their own letter heads for supply of High Chrome Balls for BBD 4760 Ball tube Coal MILL. The tenderers must be a manufacturer and have in line experience, financial capability and have supplied such items to other industrial concerns of repute.

Sl. No.	Item description	Qty.
1	High Chrome Balls 50 mm Diameter for BBD4760 Ball Tube Mill	170 MT
2	High Chrome Balls 40 mm Diameter for BBD4760 Ball Tube Mill	30MT

The tenderer must submit relevant credentials in support of their claim of being manufacturer and copies of purchase orders in support of supply of said items to other concerns of repute along with their offer. The bidders shall have to submit their offer in two parts.

Third party inspection if required to be done by TATA projects / Lloyds / RITES/Bureau Veritas or any other agency acceptable to OPGC. The purchaser shall have right to go for independent testing at any Govt. Approved / NABL Lab at his own cost from the sample drawn & the test results so obtained shall override the former & shall be binding. On obtaining acceptable test results dispatch clearance shall be given for the inspected lot.

The bid will consist of two parts. Both the parts should be placed separately and to be submitted together in a single envelope on or before Bid Opening date.

1st Part bid:

Should contain EMD, Documents in support of fulfilling the Qualifying Requirements and Techno commercial Bid. This envelope is to be superscribed with "Enquiry No., BOD, 1st part: EMD + Qualifying Requirements + Techno- Commercial Bid"

2nd Part bid: Should contain Price Bid and should be superscribed with "Enquiry No. , PRICE BID".

Price Finalisation for awarding the order:

The price may be finalised for placing the order based on Reverse Auction/ Sealed Price Bid / of both Reverse Auction and Sealed Price Bid. All Bidders have to give their acceptance for participating in Reverse Auction. Non Acceptance to participate in Reverse Auction may result in non-consideration of their bids, in case OPGC decides to go for reverse auction.

Odisha Power Generation Corporation Limited

IB Thermal Power Station

NIT No. . ITPS (Purchase)/2020-21/23(P) dtd 25.12.2020

PART-1 TECHNICAL BID

(I) Minimum Qualifying Criteria:

- a. The agency shall be a manufacturer of HC grinding Media Balls. The party shall submit documentary evidence for having credible manufacturing facility needed for manufacture of the product.
- b. Bidder should be approved by BHEL/Stein for Grinding Media Balls (Hi-Chrome), necessary certificate should be submitted by the bidder.

(II)

- a. The average turnover of the supplier for last three financial years shall be at least Rs. 500 lacks. The agency shall submit necessary documentary evidence in support of these criteria.
- b. The party shall have supply credential of supplying grinding media balls, at least two consignments to any Govt. Power Utility Plants /any other large Power Utilities each having basic value of Rs. 100 Lacks in Last two financial years. The agency shall submit necessary documentary evidence in support of this criteria.
- c. The party should not have been blacklisted, faced order cancellation in last 5 years. The agency shall submit self-certified letter on companies' letter head in support of this qualifying criteria.
- d. Party who have earlier supplied Hi-Cr Material for BBD-4760 Mill to OPGC and having issues shall not be considered.

1.1: Certificate in support of Status as manufacturer is to be enclosed. Bidder should have own Manufacturing unit with a production capacity of an average of 1000 MT/month.

1.2: The bidder should have supplied Hi-chrome grinding Balls for the coal pulverizer of dia. 50mm or above during last five years as on date of bid opening in

i) Three orders with value of each order not less than Rs.60 lakh. OR

ii) Two orders with value of each order not less than Rs.100 lakh each. OR

iii) One order with value of not less than Rs. 130 lakh.

1.3 The bidder should have automated heat treatment facilities(Self declaration) and testing facilities for Hi Chrome grinding balls. The testing facilities shall include spectrometer hardness tester and microscope of magnification 1000X minimum for microstructure analysis. The bidder has to confirm their availability and the availability of calibration certificates of the machines. Documents in regard to Heat treatment / Quality Control facilities as mentioned to be submitted.

1.4 Financial Criteria: The bidder should have a good financial capability. Bidder shall submit Audited Balance sheet including Annual Turnover of last Three Years. They should also submit profit loss account of the preceding 3years.

1.5 EMD of Rs.240,000.00(Rupees Two lakhs forty thousand only).

NB: Vendor must mention "EMD towards TE No. - ITPS (Purchase)/2020-21/23(P) dt.24.12.2020 while making the NEFT/RTG. Vendor must furnish their Bank details with their cancelled Blank cheque, PAN number, GST Number, UTR Number & date and Bank name to which EMD is credited must be clearly mentioned for easy tracking of the deposits.

1.6 PAN No.; GST No. Photocopy of the certificates to be submitted. (Not applicable for overseas vendor. Export license if applicable to be submitted).

1.7 Bidder must confirm to supply as per the technical specification of the grinding media ball stipulated.

1.8 The offers of those bidders will not be considered for evaluation who have not executed/supplied the complete order on the ground of poor quality material supply to OPGC or to other reputed PSU or any Large Power Utilities. OPGC reserves the right to verify with other PSU/other large Power Utilities for the

Odisha Power Generation Corporation Limited

IB Thermal Power Station

execution of order based on the documents they submit by them and will take the decision in the cases of new vendors.

Notes: In case where audited results of the last preceding financial years are not available, certification of financial statements from a practicing Chartered Accounts shall also be considered acceptable.

Notwithstanding anything stated above, OPGCL reserve the right to assess the capability and capacity of the bidder to perform the contract, should the circumstances warrant such assessment in the overall interest of the OPGC.

Note – Documents submitted by the bidder are presumed to be genuine. At any stage, before and after award of Order, if any of the submitted documents is found to be fraudulent /fake, OPGCL reserves the right to cancel the Offer / Order as well as take punitive action as per contract, including debarment of the bidder in future tendering. The documents submitted must be clear, legible in all respect.

Sl. No.	Minimum Eligibility Criteria		Proof to be submitted for fulfilling the Eligibility	Page Ref. No. of the Document																				
1	a)Manufacturing Facilities Bidder should have own manufacturing unit with a production capacity of an average of not less than 1000 MT/month.		Bidder should provide the Documentary evidence. Details such as no. of furnaces and capacity. Manufacturer certificate.																					
	b) The bidder should have supplied Hi-chrome grinding Balls of dia 40mm/50mm or above during last five years as on date of bid opening in:- i) Three orders with value of each order not less than Rs.60 lakh each OR ii) Two orders with value of each order not less than Rs.100 lakh. OR iii) One order with value of not less than Rs.130 lakh		Bidder should provide the Documentary Evidence. (Any one Purchase Orders Satisfactory supply Completion Certificate & Performance Certificate)																					
2	a) The bidder should haveautomated heat treatment facilities and testing facilities for Hi - Chrome grinding balls.(Self Declaration should be submitted) b) The testing facilities shall include spectrometer hardness tester and microscope of magnification 1000X minimum for microstructure analysis. c) The bidder has to confirm their availability and availability of calibration certificates of the machines.		Documents in regard to Heat treatment / Quality Control facilities as mentioned to be submitted.																					
3	Bidder should have annual turnover of minimum Rs.500 lacks for the last three financial years.		Bidder should enclose the Tax audit report/Audited Balance Sheets for the last three audited year

7	Performance Certificate Submitted.		

(I) Special instruction & Technical Specification of High Chrome Grinding Media Balls:

Special Instruction:

- 1) Party has to supply the Grinding media ball as per the enclosed specification in Annex – I to Crush 4, 25,000 MT of the coal *. This complete supply shall be made in one lot. The rated fineness should not be less than 70% through 200 Mesh.
*The specification of the Coal which is being received at OPGC is enclosed in Annexure-III.
- 2) Guarantee: Maximum wear rate should be less than 125 gms/ Tons of the coal grind shall be guaranteed. Party has to specify the wear rate in the range of (+/-) 10gms/Tons of the quoted wear rate. The wear rate with specified range should not exceed 125 gms/T of coal grind.
- 3) In case of higher wear rate, vendor shall supply additional grinding media ball at free of cost.
- 4) Party has to provide the Bank Guarantee for the compliance of the wear rate of the grinding media ball as specified in the offer by the party.
- 5) The Vendor has to provide the Bank Guarantee for the amount equivalent to the 25 MT of the Grinding media ball valid for the period of one year from the date of service or 18 months from date of supply whichever is earlier.
- 6) In case party fails to supply the additional grinding media ball if the wear rate is found higher than the guaranteed wear rate, the BG will be en-cashed.
- 7) Party has to supply the material as per the enclosed QAP. Party has to give the confirmation for that or otherwise their offer is liable to be rejected.
- 8) Evaluation of the bid shall be done as defined in **Annex- II**.

Annexure-I

Technical Specification of High Chrome Grinding Media Balls:

The specification of High Chrome grinding media used for Tube Mill for coal pulverizing is as follows:

(i) Chemical composition:

Elements	Percentage
Carbon (C)	2.5 to 3.5%
Manganese (Mn)	1.0% Max
Chromium (Cr)	13.0 to 18.0%
Nickel (Ni)	1.0% Max
Silica (Si)	1.0% Max
Molybdenum (Mo)	1.0% Max
Copper (Cu)	1.0% Max
Sulphur (S)	0.10% Max
Phosphorous (P)	0.10% Max

Cr/C Ratio shall be maintained in the range of 4 to 6.

(ii) Hardness: 60HRC Minimum

(iii) Heat Treatment: Heat to 950+/- 50Deg Centigrade, Hold for 2 to 3hrs and oil quench.

(iv) Micro structure: The micro structure of the ball after the heat treatment shall reveal tempered martensitic matrix with finely dispersed complex carbide.

Odisha Power Generation Corporation Limited

IB Thermal Power Station

(v) Retained Austenite: 15% Maximum

(vi) Dimensional Inspection: Dimensional tolerance: +/- 3mm

(vii) Maximum guaranteed wear rate – 115(+/-) 10gms per MT.

Party has to specify the wear rate of grinding media ball offered ____ Gms/MT. The evaluation shall be done on the basis of that. The sample evaluation sheet is attached See **Annexure-II.**

(viii) Surface examination: Following defects are acceptable.

(a) Sand and slag inclusion: If the defect is more than 2.0mm and the mean dimension of the defective area is more than 1/10th of the dia of the ball. In case of scattered defects, total area of all the defects put together is to be considered.

(b) Mismatch: If the mismatch is more than 2.0mm.

(c) Extra Ingate & depression at ingate: If exceeds following limit.

Size (Diameter)	Extra Ingate (mm)	Depression at Ingate(mm)
50mm & below	3.00	3.00

(d) Ovality: If exceeds the following.

Size(Diameter)	Ovality (%)
50mm	7.0

Ovality is defined as = (Maximum dia. – Minimum dia.)/Nominal dia.

Annexure-II

EVALUATION CRITERIA:

The bid guaranteeing wear rate more than 125Grams/Ton of coal crushed will not be considered for evaluation and shall be rejected. Further, no evaluation credit will be given for guaranteed wear rate less than 75Grams/Ton of coal crushed.

The evaluation of the bids shall be based on the total of High Chrome Grinding Balls required including the initial fill and the top up as per the wear rate which has been specified by the Bidder.

The Sample evaluation method is enclosed and the same shall be followed for computing the total price and lowest bidder will be selected.

Sl. No.	Description	Bidder-A	Bidder-B	Bidder-C
1	Total MT of coal crushed	425000	425000	425000
2	Guaranteed wear rate of Hi Chrome Ball	80	125	100
3	Total quantity of Hi Chrome Grinding media Ball (MT)	(425000x80)/1000000=34	(425000x125)/1000000=53	(425000x100)/1000000 =42.5
4	Initial Fill (MT)	75	75	75
5	Total quantity required for one mil(MT)	109	128	117
6	Price quoted per MT	75000	60000	65000
7	Total Ex works price	8175000	7680000	7637500
8	Status	L-3	L-2	L-1

ANNEXURE-III

Coal Characteristics:

Proximate analysis:

Range

Moisture - 11 % to 22%

Ash - 24% to 35%

HGI - 55% to 60%

Ash Analysis:

Silica - 50% to 60%

Alumina - 25% to 30%

Odisha Power Generation Corporation Limited

IB Thermal Power Station

ANNEXURE-IV

(GUARANTY DECLARATION)

Dear Sir

We declare that the wear rate of Hi Chrome Grinding Ball and material specification for Hi Hi Chrome Grinding Balls offered in this bid are guaranteed by us. We further declare that in the event of any deficiencies in meeting the guarantees indicated below as established in accordance the bidding documents, you may at your discretion accept the Hi Chrome Grinding Balls after assessing the liquidated damages as specified in clause bid or reject the Hi Chrome Grinding Balls and recover the payment already made.

Sl. No.	Guaranteed Parameter	Guaranteed Figure
1.0	Wear rate of Hi Chrome Grinding Balls in Gms/MT of coal ground	-----

Date:	Signature: -----
Place:	Printed Name: -----
	Designation: -----
	Common Seal: -----

Note: Any variation to the stipulated conditions under which Guarantees are to be met will not be permitted and Bid with such variation are liable to be rejected.

(II) Production Facility: Heat Treatment Facility; Quality Control Facility; Experience; approval; Design Capability, Guarantee details:

Bidder should have the following:

A. PRODUCTION FACILITIES:

- Solid state controlled medium frequency induction melting furnaces for rapid and homogeneous alloy melting.
- High pressure rapid mechanized moulding line.
- Integrated on line automatic sand plant complete with knock off machine, cooling system, cyclone separator and magnetic particle separator.
- Precise control of pouring temperature by immersion pyrometer.
- Core sand mixer and electric core oven.
- Rotating Breaker Drum for effective segregation of physically defective grinding media, runners & risers etc.
- Facilities for manufacturing both liners and grinding media in order to ensure good compatibility and thereby derive optimum performance.

B. HEAT TREATMENT FACILITY

- Computer controlled programmable multizone continuous pusher type furnace with multipoint Auto temperature controllers/recorders.
- Electrically heated bogie hearth furnace.
- Air and Oil quenching terminals.
- Tempering furnaces with air circulation for imparting precise heat treatment cycle appropriate to specific alloy grade.

C. QUALITY CONTROL FACILITIES

- On line chemical analysis facilities involving computerized vacuum emission spectrometer with reading element accuracy up to 0.001 % with ferrous background and with microprocessor base.
- Leco Carbon – Sulphur determinator for accurate and rapid analysis of carbon and sulphur.

Odisha Power Generation Corporation Limited

IB Thermal Power Station

- c) *Metallurgical microscope for macro and micro structure evaluation.*
- d) *Full-fledged control laboratory for evaluating hardness, impact and other mechanical properties.*
- e) *Spark erosion machine for sampling for measurement of retained austenite and core hardness without affecting metallurgical structure.*
- f) *Sigmameter to measure through specialized testing, the retained austenite level.*
Retained austenite is to be strictly maintained below permissible limit as hard working conditions in tube mills can result in retained austenite getting converted to martensite resulting in volume expansion leading to:
 - *Excessive wear of balls*
 - *Breakage of balls*

D. EXPERIENCE :

- (a) *Established wear rate of 115(-/+10) gms/ton of coal crushed for Hi Chrome Grinding media with Hi Chrome liners. Evidence to be provided for the same.*

E. APPROVAL: The agency shall submit QAP for purchaser's approval within 10 (ten days) from LOI / PO. Vendors have to submit their QAP of the manufacturing along with the technical bid. OPGCL may prefer the manufacturers, assessed and approved by M/s Stein Industries, France (M/s ALSTOM POWER)/BHEL /NTPC.

F. DESIGN CAPABILITY:

Design capability with facility of test mill at works for wears assessment. Satisfactory performance reports from users for above supply for wear rate established should be furnished.

Established credentials for process engineering in order to recommend optimized ball charge for various operating conditions.

G. GUARANTEE: Wear Rate Guarantee: Ball charge shall be guaranteed for a maximum of 115(-/+10) gms / ton of coal grinding.

Guaranteed Life: The minimum guaranteed life of Hi-Chrome balls shall be of 1500 running hours.

(III) FINANCIAL STATUS : Vendor should be in sound financial condition with good working capital & should be able to undertake supplies of high chrome grinding media. Annual average turnover of the vendor should not be less than Rs.50.00 Lakhs in the last 3 years.

The bidder must submit relevant credentials in support of their claim of being manufacturer and copies of purchase orders and performance report in support of supply of said items to other concerns of repute along with their offer.

The Bidders shall have to submit Banker's certificate in support of financial capability along with a statement of Asset & Liability.

EARNEST MONEY DEPOSIT (EMD):

- a. Bidder must submit requisite EMD of **Rs.2,40,000.00** in shape of DD payable on State Bank of India (Code No. 9510) Payable at Banharpali Branch /Central Bank of India, IB Thermal Power Station, (Branch Code No.0283899) / Andhra Bank Adapada (Branch code 0662) in favour of **Odisha Power Generation Corporation Limited / an unconditional and irrevocable Bank Guarantee (BG)** from any of the banks specified in the bidding documents. **EMD SHALL NOT BE ACCEPTED IN ANY OTHER FORM.** The format of Bank Guarantee towards bid security shall be in accordance with the 'Proforma for BG' included in the bidding documents.
- b. The bid security shall remain valid for a period of One Hundred Eight (180) days.
- c. **ANY BID NOT ACCOMPANIED BY AN ACCEPTABLE EMD (BID SECURITY) SHALL BE LIABLE FOR REJECTION CONSIDERING IT AS A NON-RESPONSIVE BID AND SHALL BE RETURNED TO THE BIDDERS.**

Odisha Power Generation Corporation Limited

IB Thermal Power Station

- d. As per the OPGC tender guide line exemption on EMD for any Small Scale Industries, NSIC (National Small Scale Industries Corporation) and SSI Units for the tendered items shall be extended. Any bidder under this category willing to avail the exemption need to submit their written request to the under signed along with their bid and at the same time should send the same request minimum two days before the scheduled due date of bid opening.

Other Commercial Terms & Requirements:

- a) Bidder must submit requisite EMD in shape of DD in favour of Odisha Power Generation Corporation Limited payable on State Bank of India (Code No.9510)/Central Bank of India, IB Thermal Power Station (Code-0283899), Banharpali/ Andhra Bank, Adapada (Code-0662), Ib Thermal Power Station, Banharpali, Jharsuguda. Overseas vendor may submit DD in corresponding exchange rate of Dollar on the date of submission of bid.
- b) Photocopies of latest PAN, GST No, and Manufacture certificate registered as per Registration of Company Act/NSIC, status of the firm (Micro, Small or Medium Enterprise) are to be submitted by the bidders.
- c) **Payment Terms:** The bidder has to accept our payment terms i.e. 90% payment with 100 % tax shall be made within 30 days from the date of final acceptance of material & balance 10% shall be released within 90 days against submission of 10% of PO basic value as performance bank guarantee which shall remain valid for a period of 27 months (24 months + 03 months grace period) from the receipt of materials. All payment shall be made in electronic mode. E mandate to be submitted for release of payment.
- d) **Security Deposit:** The bidder has to clarify to submit security deposit i.e. 05% of the P.O. value in shape of DD/irrevocable bank guarantee from a nationalised bank executed on non-judicial stamp paper of appropriate value towards execution of the contract. The bidder will have to submit the Security Deposit within 07 days from the date of release of PO to the firm vide Hardcopy/Mail whichever is earlier.
- e) **Guarantee:** The bidder shall have to confirm that guaranteed life of Hichrome Ball Mills as 1500 running hours. The poor workmanship and performance and shall be replaced free of cost by the vendor. The defect liability period shall be 03 years over and above the guarantee period.
- f) **Inspection:** The bidder has to clarify to accept inspection by third party. Third party inspection charges if any to be clearly specified. The details of test procedure followed after manufacturing shall have to be mentioned in the techno commercial bid. Test certificate shall be submitted in the supply documents.
- g) The bidder has to submit their valid BIS/ISO registration certificate or any other international accreditation documents.
- h) **Delivery:** The bidder has to clarify to deliver the material on staggered deliver basis with pre despatch inspection by M/s OPGC and/or Third party from the date of receipt of our order/LOI .However OPGCL will have the right to purchase / cancel at any point of time. Schedule of delivery shall be a point for consideration during evaluation of the bid. **The Schedule date of delivery will be within 04 weeks from the date of issue of Purchase Order.**
- i) **Validity:** The price shall remain valid for a period of 180 days from the date of opening of techno-commercial bid. **But price shall be remained same for the period of one year from the date of rate contract order.**
- j) **Termination of Contract:** The purchaser reserves the right to terminate the contract at any time with a prior notice of 15 days.
- k) **Dimensions:** Information on shipping weight and cubage (length, width & height) to be provided.

Odisha Power Generation Corporation Limited

IB Thermal Power Station

- l) Any deviation from above points shall have to be mentioned clearly in the techno commercial bid.
- m) **Dispatch:** The consignment shall be despatched to IB Thermal Power Station to the consignee on door delivery and freight paid basis after necessary inspection by third party and despatch instruction by OPGC Engineer.
- n) **Standard:** The material to be supplied shall be strictly as per relevant IS. Quality Assurance Plan to be approved by OPGCL before manufacturing.
- o) **Inspection/Testing:** Pre despatch Inspection & Testing shall be carried out by Us/Third Party at your works by your cost. Metallurgical Test Report from govt. Approved laboratory to be submitted along with the supply. OPGCL may incorporate any other testing or inspection in addition to below, if required at your cost.

- Microstructure Analysis.
- Material Composition.
- Hardness checking by destructive testing. Difference between core & surface hardness shall be less than 2 Rc.
- Surface hardness checking.
- Ball internal structure checking by destruction test, internal structure shall be free of casting defect.

- p) **Samples:** If required, M/s OPGCL shall ask for samples drawn from each consignment in the presence of company's authorised representative and arrange testing in an independent laboratory to check up whether the supplied item are in accordance with the purchase order or not.

Random sample shall be collected from a lot of 5 MT, which lead to total sample size of 10 Numbers for complete quantity of Hi-Chrome Balls required.

q) Inspection Details:

- i) Dimensional Check of 1% of balls per MT selected at random from each container along with visual check shall be done first.
- ii) Hardness at core and surface of balls selected randomly at one ball per MT. The hardness of the balls shall be as per specification mentioned.
- iii) Chemical Check test at one ball per cast to be presented for inspection.
- iv) Sealing of each drum containing of balls for identification is to be done.
- v) If required inspection of raw material or other stage inspection shall be done by OPGCL.

- r) **Quantity Variation:** The quantities mentioned in the tender for supply are deemed to be only approximate and not in any manner be binding for order. The variation in supply quantity as per order upto (+/-) 2% shall be acceptable.

- s) **The price may be finalised for placement of order based on Reverse Auction/ Sealed Price Bid / Combination of both Reverse Auction and Sealed Price Bid. OPGC reserves the right to go for reverse auction instead of opening of sealed Envelope price bid , submitted by bidder or Vice Versa. This will be decided after techno-Commercial Evaluation. All Bidders have to give their acceptance for participating in Reverse Auction. Non Acceptance to participate in Reverse Auction may result in non-consideration of their bids, in case OPGC decides to go for reverse auction.**

- t) **Risk Purchase:** The inability of the bidders to execute the order in accordance with delivery schedules will entitle M/s OPGCL to purchase the orders at the risk and cost of the vendors from other sources. The difference in amount shall be recovered from the dues of the vendors. Increase in tax structure due to delay in supply beyond contractual delivery period is to vendor account.

- u) **Laws of Governing Contracts:** All Contracts shall be governed by the laws of India for the time being in force. Irrespective of the place of delivery, place of performance or place of payment under this contract, the contract shall be deemed to have been made at place from which the acceptance of tender has been issued.

ANNEXURE-IV(A)

MANUFACTURING QUALITY ASSURANCE PLAN

1 Chemical composition.

Elements	Percentage
Carbon (C)	2.5 to 3.5%
Manganese (Mn)	1.0% Max
Chromium (Cr)	13.0 to 18.0%
Nickel (Ni)	1.0% Max
Silica (Si)	1.0% Max
Molybdenum (Mo)	1.0% Max
Copper (Cu)	1.0% Max
Sulphur (S)	0.10% Max
Phosphorous (P)	0.10% Max

Cr/C Ratio Shall be maintained in the range of 4 to 6.

2 Hardness: 60HRC Minimum

3 Heat treatment: Heat to 950 +/- 50Deg Centigrade, Hold for 2to 3 hours and oil quench.

4 Microstructure: The microstructure of the ball after the heat treatment shall reveal tempered martensitic matrix with finely dispersed complex carbide

5 Retained Austinite: 15% Maximum

6 Dimensional inspection: Dimensional tolerance : +/- 3mm

7 Surface Examination: Following defects are not acceptable.

a) Sand and slag inclusion: If the defect is more than 2.0MM and the mean dimension of the defective area is more than 1/10th of the dia. of the ball. In case of scattered defects, total area of the defects put together is to be considered.

b) Mismatch: If the mismatch is more than 2.0mm.

c) Extra ingate& depression at ingate: If exceeds following limit

Size(diameter)	Extra ingate (mm)	Depression at ingate(mm)
50mm & below	3.00	3.00

d) Ovality: If exceeds the following.

Size(diameter)	Ovality %
50mm	7.00

Ovality is defined as: = $\frac{(\text{Maximum dia.} - \text{Minimum dia.})}{\text{Nominal dia.}}$

Odisha Power Generation Corporation Limited

IB Thermal Power Station

NIT No. ITPS (Purchase)/2019-20/23 P) Dt.25/12/2020

TENDER NOTICE NIT GENERAL TERMS & CONDITIONS

1. Sealed Tender is invited (in duplicate) for the supply of articles as per details mentioned in the bid. Tender should be submitted in a proper sealed envelope addressed to the Dy. General Manager (Purchase Materials); Purchase Department OPGCL- IB Thermal Power Station, Banharpali, Jharsuguda-768234, invariably giving on the cover Tender Notice No., Name of the Articles, and the date of opening and EMD details.
- 2 Basic Qualification of Bidders
This bidding is open to any Manufacturer/ Supplier who provides satisfactory evidence that he :-
 - (a) Is a qualified manufacturer or an authorized representative of a qualified manufacturer who regularly manufactures the equipment of the type specified and has adequate technical knowledge and practical experience.
 - (b) Does not anticipate change in the ownership during the proposed period of work (If such a change is anticipated, the scope and effect thereof shall be defined).
 - (c) Has adequate financial stability and status to meet the financial obligations pursuant to the scope of the assignments (The bidders should submit at least 3 copies of their profit and loss account and balance sheet for the preceding 3 years, including turn over).
 - (d) Has adequate plant and manufacturing capacity available to perform the assignment properly and expeditiously within the time period specified. The evidence shall consist of written details of the installed manufacturing capacities and present commitments (excluding the assignments under this specification) of the bidder or his Principal. If the present commitments are such that the installed capacity results in inadequacy of the manufacturing capacities to meet the requirement of equipment corresponding to this bid, then the details of alternative arrangements to be organized by the bidder for this purpose and which shall meet the owner's approval shall also be furnished.
 - (e) Has established quality assurance systems and organization designed to achieve high levels of equipment reliability during his manufacturing activities.
- 3 Amendment in Specifications: OPGCL may revise or amend the specification and drawings prior to the date notified for opening of tenders. Such revision / amendment, if any, will be communicated to all bidders as amendment / Addendum to the specification which will also be **published in OPGC web site.** **Vendors may visit our website regularly till finalization of tender.**
- 4 Requirement to read the Tender Specification by Bidder: The bids are requested to go through all the contents of Tender specification before preparing their tender / bids for submission.
- 5 The quantities mentioned in the Tender Notice shall be deemed to be only approximate and will not in any manner whatsoever be binding on the OPGCL- IB Thermal Power Station.
- 6 All tenders are to be submitted up to 15:00 hours on the closing date & they will be opened at 15:30 hours on the date specified. Representatives of the bidders those who choose to be present may attend the bid opening.
- v) The tender shall remain open for acceptance for a period of **180 DAYS FROM THE DATE OF OPENING UNLESS OTHERWISE SPECIFIED**. Tenders with a Validity of Less than 180 days are liable to be rejected/ or have lesser preference than those adhered the tender conditions. **But price shall be remained same for the period of one year from the date of rate contract order.**
- 7 Actual percentage of GST of any description whatsoever where leviable and intended to be claimed from the OPGCL-IB Thermal Power Station, should be distinctly shown along with the price quoted.
- 8 GST REGISTRATION NUMBER MUST BE INDICATED IN VARIABLY FAILING WHICH OFFER SHALL NOT BE CONSIDERED.

Odisha Power Generation Corporation Limited

IB Thermal Power Station

- 9 Rates quoted should be F.O.R. IBTPS, Banharpali. In case rates Ex-go down shops , indicate actual amount of Packing and Forwarding charges and railway freight/Road freight up to destination, IB Thermal Power Station, Banharpali, Jharsuguda, Orissa. Jharsuguda is our nearest transport go down which is 40 Kms from IB Thermal.
- 10 Wherever bidders have entered into the Rate Contract with Director General of Supplies and Disposals they will indicate the same in their tender. They will also certify that the rates quoted are same as are applicable on the rate contract finalized the Director General or Supplies & Disposals.
- 11 Illustrated pamphlet/leaflet and drawing indication technical details/Year of manufacture, Maker's Name, Country of Origin etc. must be enclosed with tender.
- 12 SPECIAL ATTENTION OF THE TENDER IS INVITED ABOUT THE RECEIPT OF TENDER IN TIME TENDERS RECEIVED AFTER THE STIPULATED DATE AND TIME DUE TO ANY REASON WHATSOEVER SHALL NOT BE CONSIDERED TENDERERS ARE REQUESTED TO SEE THAT THE TENDERS ARE DELIVERED IN THE OFFICE BEFORE THE PRESCRIBED DATE AND TIME.
- 13 The delivery period quoted must be specific and realistic. The inability of the successful tenderers to execute orders in accordance with delivery schedules will entitle OPGCL to purchase the stores at the risk and cost of the contractors such failures will also be kept in view while considering that subsequent tenders.
- 14 With regard to acceptance of tender for earlier delivery it should be noted that if the contract is placed on higher tender in preference to the lowest acceptable offer in consideration of earlier delivery the contractor will be liable to pay to OPGCL, the difference between the contract rate and the lowest acceptable, in case of failure to complete suppliers in terms of such contract within the date of delivery specified in the tender and incorporated in the contract. This is without prejudice to other rights of the OPGCL under the terms of contract.
- 15 The time given for delivery or dispatch shall commence from receipt by the contractor of the purchase order. The time for and the date of delivery of dispatch stipulated in the schedule for the delivery or dispatch of stores shall be deemed to be the essence of contract and should the contractor fail to deliver or dispatch the stores or any consignment thereof within the period prescribed for such delivery or dispatch the purchased shall be entitled to withhold payment until the whole of the stores have been supplied and to recover from the contractor a sum of the half percent of the price of any stores which the contractor has failed to deliver or dispatch aforesaid for each and within week or part of a week during which the delivery OR dispatch of such stores may be in arrears subject to maximum of five percent of total of the contract value alternatively at the option of the Purchase shall be entitled to purchase also where on the account & at the risk of the contractor the store of any consignment thereof which the contractor has failed to deliver or dispatch as afore said if not available the nearest available substitute thereof to cancel the contract and the contractor shall be liable for all loss or damage which may sustain by reason of such failure on the part of the contractor.
- 16 Suppliers failing to execute the order placed on them to the satisfaction of OPGC under the terms and conditions set forth therein, will be liable to make good the loss sustained by the Board, consequent to the placing of fresh orders elsewhere at higher rates, i.e. the difference between the price accepted in the contract already entered into the price at which fresh orders have been placed. This is without prejudice to the imposition of liquidated damages.
- 17 It is a condition of the contract that all though the currency thereof, the price at which the tender shall supply stores shall be firm.
- 18 Tenderers may kindly note that it is essential to pay the requisite amount of earnest money in any one of the following form.

a) Demand draft / b) Bank Guarantee from a Nationalized Bank irrevocable and operative till the validity of the offer.

The earnest money will be liable to be forfeited on revocation of the quotation expired if refused to enter into a contract after the award is made to the tenderer.

Odisha Power Generation Corporation Limited

IB Thermal Power Station

EMD for unsuccessful bidders will be returned to the firm within 45 days after the finalisation of Tender.

- 19 *Small scale industries/National Small Scale Industries Corporation shall be exempted from payment of Earnest Money Deposit/Tender Fees only if they are entitled for exemption of the offered items. Tenderers seeking exemption should enclose a photocopy of valid registration certificate with NSIC.*
- 20 *Successful tenders will have to deposit security by the date specified in the Acceptance of Tender in case they fail to deposit security by the specified date the OPGCL reserves the right to adjust the same from the payment pending with the OPGCL, ITPS, and Banharपाली.*
- 21 *OPGCL reserve the right to give preference to those quoting payment and delivery as per bid norms. Loading shall be made for other terms of payment and delivery.*
- 22 *Wherever samples are asked from tenderers the same shall be submitted freight paid through post of Railways/Road Transport and should reach the OPGCL within the stipulated date and time failing which to cognizance will be given to such samples which are received late.*
- 23 *Printed Terms and Conditions on letter heads or Quotation form of tenderers shall not be applicable.*
- 24 *Tendering firms are advised to quote as per our serials number specified in tender notice.*
- 25 *OPGCL Reserves the right to reject all or to any of the tenders or to accept the tender or to accept the tender either in full or in part or to split of the contract without assigning any reason.*
- 26 *The quote price discount if any should be typed both in words as well as in figure without any cover typing. Alternations if any should be made clearly by crossing already entered rates and all such corrections should be attested by the tenderers under their full signature in no case there should be over writing and all tender with such over writing and all tender with such over writing shall be liable for rejection.*
- 27 *Our tender notice No. & due date of opening nature of items and vendors complete address should in variable be indicated on the top of the envelope, Bank charges always borne by the vendor.*
- 28 *Wherever I.S is available please quote as per I.S only, otherwise quote the brand name of the quote items goods must be dispatch through authorized dealer.*
- 29 *The material supplied shall be guaranteed for a period of 18 months from the date of supply or 12 months from the date of actual use whichever is earlier.*
- 30 *These terms and conditions shall form a part of the contract.*
- 31 *EFFECTING OF RECOVERIES: Any loss, arising incident to non-fulfilment of this contract or any other contract, will be recovered from the Security Deposit held and or any other amount due to the supplier from OPGC.*
- 32 ***PATENT RIGHT ETC:*** *The Supplier shall indemnify the purchaser against all claims, actions, suits and proceedings for the infringement or alleged infringement of any patent, design or copy right protected either in the country of origin or in India by the use of any equipment supplied by the supplier other than for the purpose indicated by or reasonably to be inferred from the specification.*
- 33 ***Jurisdiction:*** *All contracts effected between OPGCL and vendor shall be subject to Jharsuguda Court Jurisdiction and shall be governed by Law. It is agreed that no other court shall have jurisdiction to entertain any suit or proceedings, even though, part of the cause of action might arise within their jurisdiction. In case any part of the cause of action might arise within the jurisdiction of any other Courts in Orissa, and rest within the jurisdiction of Courts outside the State of Orissa, then it is agreed to between the parties that such suits on proceedings shall be instituted in a Court within the State of Orissa and no other Court outside the State of Orissa have jurisdiction.*
- 34 ***Arbitration:*** *In case of any dispute arising out of the supply or interpretation of meaning of the terms in these conditions of purchase or any alleged breach thereof, the same shall be referred to independent Arbitrator/s selected by the aggrieved party and consented by the other party. The arbitration shall be conducted in accordance with the provision of Indian Arbitration Act of 1996 or modifications thereof and award of Arbitrator shall be final and binding on both parties. The arbitrations shall be conducted at Jharsuguda or at such place as decided by Arbitrator. The cost, incidentally shall be borne by the vendor.*
- 35 ***Litigation:*** *All expenses and cost in connection with litigation, if any, will be to vendor account.*

Odisha Power Generation Corporation Limited

IB Thermal Power Station

36 (a) Preparation of comparative statement

The Proforma for comparative statement has been standardized and is as per annexure of manual. CS should be prepared as per proforma and loading actors to be used for loading are as mentioned below (if not mentioned specifically in the offer).

P&F charges	2%
Freight	
Upto 300Kms	2%
300 Kms. to 500 Kms.	3%
500 Kms. To 1000 Kms.	4%
Above 1000 Kms.	5%
Insurance	0.086%

(NOTE: Percentage loading will be limited to full truck/trailer load rate for each truck load).

(b) Payment terms loading

1.5% per month (wherever parties have quoted 100% through bank/advance against our standard and payment terms of bid documents)

In case of payment through bank loading for a period 30 days and in case of advance payment along with P.O. the loading for the period of delivery period plus 30 days, may be taken. In case of 90% through bank & balance 10% within 30 days after receipt and acceptance of materials.

Loading factor will be $1.5 \times 0.9 = 1.35\%$. Accordingly for other payment terms loading factors will be calculated.

(c) Delivery term loading: If the delivery period required as per bid requirement is deviated the loading shall be done @0.5% (of the total FOR Price including GST) per week or part thereof for the period over and above the stipulated delivery period. Maximum shall be 10 % of the basic value.

(d) If the PBG clause is not accepted or deviated loading for the same shall be done.

Loading procedures

DI) Basic Price.

DII) Packing & Forwarding charges (on basic price only)

DIII) GST on (Basic + P&F)

DIV) Freight on (Basic+ P&F)

DV) Insurance on (Basic + P&F + GST +Freight)

DVI) Payment Terms Loading on (Basic + P&F + GST+ Freight)

DVII) Delivery Term Loading on (Basic + P&F + GST+ Freight)

In case on variable prices, Variable GST etc. the following norms/systems will be taken into consideration. (a) In case of price variation clause (without specific mention of quantum), 10% price escalation per annum may be proportionality loaded.

(b) In case of the bidder stipulates **GST** as applicable at the time of dispatch & specifies the present rate of GST (a numeric percentage or nil), in such case the offer shall be evaluated considering the maximum rate of GST applicable for the product as per GST Tariff of Govt. of India or as evident from the other bids received in the tender.

However, the liability of OPGCL shall be as per actual GST applicable at the time of dispatch, subject to production of authenticate document. Further the rate of GST shall be restricted to as applicable within the contractual delivery period only. Increase in GST rate in any due delay in supply beyond the contractual delivery period shall not be payable by OPGCL. However, the benefit of any decrease in GST shall be passed on to OPGCL.

In case bidders quote with Fixed Rate of GST OR Special GST as NIL" the offer shall be evaluated accordingly. This will be subject to submission of GST invoice copy for having actually paid the GST or otherwise but claim for any upward revision will not be accepted at a later stage.

(Adverse loading in each factor to be done for comparison purposes, in case vender has not mentioned specifically however, for placement of order the lowest/beneficial terms will be indicated).

Odisha Power Generation Corporation Limited

IB Thermal Power Station

IMPORTANT NOTICES:

1. Please fill in the proforma for summary quotation as per specimen given.
2. Tenders not specifying the exact rates of taxes and duties (wherever applicable) shall be loaded to the highest slab or may not be considered.
3. **Any deviation in Technical Specification/ terms & conditions shall be clearly specified in details in the deviation statement, failing which shall be deemed the NIT specification & Terms conditions are acceptable in totally unless and otherwise specified in the deviation statement. Deviations mentioned at any other points may not be acceptable and the bid may be treated as unresponsive and in such case bid may be rejected and EMD amount shall also be rejected.**
4. The suppliers/contractor is required to manufacture the product/carryout the work in controlled condition so as to contain Air pollution, water/land contamination within relevant legislative & statutory requirement.
5. Vehicle must accompany TREM Card for transportation of materials wherever applicable to OPGCL. Driver must carry valid driving license for transporting the materials to OPGCL.
6. Vendor/Representative/Vehicle driver must wear Safety Helmet, Shoes inside the Plant premises.
7. All person(s) connected with OPGCL shall have to adhere the safety rule regulations of the Company.
8. Salient points of HSE (Health Safety & Environment) that are to be considered while submission of offer are:
 - Consumption benchmarks related to output shall be provided wherever applicable for key input resources (energy/fuel/chemicals).
 - Competency requirements for operation, maintenance and calibration if any.
 - MSDS to be submitted in case any hazardous chemicals as per MSIHC (Manufacturing, Storage, Import of Hazardous Chemicals (Rules 1989/94/2000 along with onsite and offsite emergency plan (as applicable).
 - Occupational and Health safety control measures for safe working of the equipment offered.
 - Equipment should be fitted with guard for rolling and moving part as per OH&S legislation and Factory Act.
 - The recommended PPE for the equipment to be furnished.
 - Details of all hazardous/harmful substances discharged as by-products/wastes during operations to be mentioned along with their permissible limits.
 - Appropriate pollution controls measures to be taken to keep the emissions from the battery to be clearly mentioned.
 - Chemical banned due to their negative impact on the environment shall not be used in the offered item.
 - Details of disposal practices to be followed to be provided for the chemicals and the equipment.
 - Primary materials used in the equipment shall be specified and they should be ecofriendly.
9. Vendor shall take all measures necessary steps to maintain integrity in totality throughout the bidding process. He or any of the representatives, third person shall not be engaged in any manner to anybody in the business at any point of time for biasing or indulged in corruption process during any stage of bidding process (pre contract or post contract stage) in order to secure the contract or in furtherance to secure it. Indulgence of such unfair practices will lead to forfeiture of Cancellation of EMD, Security deposit and performance bond without assigning any reason. Similarly if any person from the purchaser OPGCL demands or do any unlawful act are to be brought to the notice of the management to address the same. If required OPGCL & Vendor have to sign the Integrity Pact to maintain the transparency in the procurement process as per format enclosed.
10. OPGCL reserves the right not to accept the lowest rate quoted by the bidder and reject any or all the offer without assigning any reason whatsoever. M/s OPGC Ltd. also reserves the right to accept/reject/split any tender without assigning any reason thereof.

AGM (Purchase)

Odisha Power Generation Corporation Limited

Date & Time Of Auction	Auction Date: [To be intimated later] Online e-Reverse Auction Time : [To be intimated later] URL: www.mstcecommerce.com/eprochome/opgc
Special Instructions	Bidding in the last minutes and seconds should be avoided in the bidders own interest. Neither the Service Provider nor OPGC will be responsible for any lapses /failure on the part of the vendor, in such cases.
Auto Extension of Closing Time	5 minutes NB: If any bidder quotes 5 minutes before closing time, the closing time will be extended automatically for another 05 minutes and so on till 05 minutes idle time between the bids.
Decremental Value	Minimum decrement value will be informed prior to the conduct of E R/A
Start Price	The start price shall be confirmed before start of the e-RA and the same should be the estimated price as decided by OPGC.

1. For the proposed e-Reverse Auction, techno-commercially qualified bidders only shall be eligible to participate.
2. Bidders must be a registered user to bid for Buyer ("OPGC") in MSTC portal www.mstcecommerce.com/eprochome/opgc. Bidders need to have their Login ID and Password prior to e-Reverse Auction.
3. Bidders have to participate as per the e-Reverse Auction time and date communicated to them & based upon e-Reverse Auction invitation for particular Auction.
4. Quotation once submitted through e-Reverse Auction cannot be withdrawn /deleted. Otherwise, the EMD submitted by the bidder shall stand forfeited.
5. Buyer reserves the right to ban the bidder from participating in e-Reverse Auction without any explanation/reason at any stage of e-Reverse Auction.
6. Buyer reserves the rights to extend / cancel the e-Reverse Auction.
7. E-Reverse Auction shall be conducted in Indian Rupees only.
8. All prices submitted by Bidder in e-Reverse Auction shall be as per Tender's Terms & Conditions.
9. Validity of bids: As mentioned in Tender Document.
10. Written Confirmation shall be taken in advance regarding participation in the e-Reverse Auction to buyer along with the Authorized person name and details.
11. Buyer reserves the right to award the Purchase Order / Service Order as per buyer's discretion irrespective of Live Auction Rank.
12. Buyer reserves the right to repeat the e-Reverse Auction of same package.
13. **e-Reverse Auction will be conducted after opening of price bid, OPGC shall open the manual price bids submitted during tendering. The lowest evaluated bid of all the bids**

Odisha Power Generation Corporation Limited

IB Thermal Power Station

submitted in manual and e-Reverse Auction process shall be considered for award of the Purchase order / Work order.

14. The bidders shall quote from their own offices/ place of their choice. Internet connectivity shall have to be ensured by bidders themselves.
15. If the Bidder or any of his representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by communicating with other bidders, OPGC at its own discretion shall debar the bidder from the e-Reverse Auction/Tender and future participation also.
16. OPGC reserves the right to cancel the e-Reverse Auction process/ tender at any time, before ordering, without assigning any reason and may go for manual opening of price bids as per standard practice.
17. OPGC shall not be liable for any interruption or delay in accessing the MSTC portal irrespective of any cause. In such cases, the decision of OPGC shall be binding on the bidders.
18. Other terms and conditions shall be as per NIT, bidder's techno-commercial Bid and other latest correspondences/ final confirmations, (if any) against the NIT.
19. If any item is not quoted by a bidder, the maximum price quoted by the other participated bidders for that item shall be considered for arriving evaluated price of that bidder.
20. The total L1 Price obtained through e-Reverse Auction shall be proportionately distributed among each line item inline with the price quoted w.r.t. each year and evaluated in the hard copy price bid.
21. The price quoted in e-Reverse Auction is the total price for three years for all the items and quantity as per Price Schedule of NIT irrespective of any omission by the bidder in the hard copy price bid.
22. In case, the L1 Bidder in e-Reverse Auction and manual Tender happens to be the same bidder, then minimum price among both shall be considered as L1. If the bidder disagrees to accept the said condition, then his EMD shall be forfeited. Apart from this the bidder will be debarred from participating in future e-Reverse Auction/Tender of OPGC.
23. Each Bidder shall get the final loading factor (%age of the quoted price) from OPGC before e-Reverse Auction for the deviations, if any, taken by them in the techno-commercial bid.
The Price quoted in the e-Reverse Auction shall be inclusive of all applicable taxes, duties and levies, deviations considering the loading factor (got from OPGC/Tender Condition as mentioned in above.

Bidders are to give their acceptance for participating in Reverse Auction for finalization of price bid for placement of order based on Reverse Auction/Sealed Price Bid/ combination of both Reverse Auction and Sealed Price Bid. [NB: OPGC reserves the right to go for reverse auction instead of opening sealed envelope price bid submitted by the bidder. This will be decided after techno-commercial evaluation of the bids and only the technically qualified bidders shall be eligible for participating in the Reverse Auction as per the terms & conditions there in at Annexure for "RULES AND REGULATIONS OF THE E-REVERSE AUCTION".] Non acceptance to participate in Reverse Auction may result in non-acceptance of bids in the event of OPGC decides to go for Reverse Auction (E-RA). In the event of such decision, the bidders shall have to deposit requisite non-refundable Transaction Fees for e-Reverse Auction to the account of MSTC Limited directly.

The non-refundable **Transaction Fees towards e-Reverse Auction** as mentioned above shall be deposited by all Techno-Commercially qualified bidders directly to the account of MSTC before E-RA launch schedule. The date of conduct of E-RA shall be intimated in later stage to Techno Commercially qualified bidders via e-mail. Before participation in e-Reverse Auction, the bidder has to register in MSTC e-Procurement Portal well in advance and submit the E-RA fee amounting to the value intimated by M/s. MSTC Limited.

NB: Reverse Auction shall be conducted through M/s MSTC, Bhubaneswar / Visakhapatnam
