**Detailed Invitation for Expression of Interest (EOI) to design, supply Install, commission and testing of Public Address (PA) System.**

**1.0 INTRODUCTION**

Procurement and install a new PA system at Maa Samaleswari Temple, located at Sambalpur. The current method of relaying temple-wide information is insufficient and lacks the clarity and speed required for both daily operations and critical emergencies.

**2.0 INTENT OF THE EXPRESSION OF INTEREST (EOI)**

The installation of a modern PA system is necessary to address several key issues and improvement in the following areas:

- **Emergency preparedness:** In the event of an emergency such as a fire, natural disaster, or security threat, a PA system is the most effective way to broadcast immediate and clear evacuation or lockdown instructions to all personnel simultaneously.
- **Enhanced communication:** A PA system will streamline daily communications. Important announcements, such as meeting changes, operational updates, or paging individuals, can be delivered instantly across the entire facility, eliminating the need for time-consuming individual communication.
- **Improved productivity:** By reducing delays and interruptions associated with fragmented communication, employees can receive important information more efficiently, allowing them to focus better on their tasks.

**3.0 Background**

The current public address system provides uneven audio coverage, with significant dead zones in critical areas including the parking lot also lacks the clarity and speed required for both daily operations and critical emergencies. In this connection, installation of one new PA system which shall cover all locations inside temple boundary. This initiative shall align with the trust's objective to modernize its facilities and enhance communication capabilities

**4.0 SCOPE OF THE EXPRESSION OF INTEREST (EOI)**

The EOI will seek interest from vendors capable of delivering a solution with the following features:

- Clear and uniform audio coverage across identified locations.
- Zoned broadcasting for targeted communication.
- Emergency broadcasting features with a pre-recorded message function.
- Ability to interface with modern audio equipment, including microphones and media players.

**Note:**

Interested agencies may visit the Maa Samaleswari Temple, located at Sambalpur with an intimation to OPGC. Details non-commercial proposal along with layout and tentative BOQ to be submitted by agency.
