AMC for Cleaning and Housekeeping Work at ITPS Colony 2024-26 **Bill of Quantities & Price Bid Format** Part-A (OPGC-I, Existing Colony Area) **Detail Description** Unit Rate (Rs.) Amount (Rs.) **Unskilled Manpower Colony Cleaning** 1 Engagement of Unskilled manpower for Cleaning and Manday 10,642 Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. Semi-skilled Manpower_Colony Cleaning Engagement of Semi-skilled manpower for Cleaning and 15,650 Manday Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. Skilled Manpower_Colony Cleaning Engagement of Skilled manpower for Cleaning and Housekeeping Manday 2,504 activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. High Skilled Manpower_Colony Cleaning Engagement of High Skilled manpower for Cleaning and 626 Manday Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. **Head Supervisor Colony Cleaning** Engagement of High Skilled Competent Head Supervisor for 24 Month Cleaning and Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. Material/Consumable for Cleaning_Annexure-I 24 Providing required quantity of Materials, Consumables as per the Month list provided in Annexure-I for Cleaning & Housekeeping activities in colony and resource centre areas as per the direction of the Engineer-in-Charge. The contractor has to ensure supply and utilisation of these materials, consumables in monthly basis. The quantity of materials, consumables indicated in Annexure-I is a tentative minimum quantity, however any excess materials required to comply the job requirements will be arranged by the contractor without any extra claim. T&P for Cleaning_Annexure-II Providing tools & tackles as per the list provided in Annexure-II 24 Month for cleaning and housekeeping activities in colony and resource centre areas as per the direction of Engineer-in Charge. The contractor has to ensure availability of these tools & tackles in good running conditions round the clock to cater regular as well as emergency requirements including maintenance. Manpower required for use and operation of these tools and tackles will be consumed from the respective items of the BOQ. Unavailability, damage or breakdown of any tools & tackles at site which will suffer the work, will attract proportionate deduction / penalty. **Tractor with trolley for Cleaning Activity** 8 Engagement of Tractor with hydraulic trolley of 5T capacity 1,256 Day (Mahindra / Swaraj / equivalent) for transportation & disposal of garbages from colony area including all costs, conveyance, fuels, driver, maintenance charges etc, complete in all respect as per the direction of Engineer-in-charge in regular daily basis. **Mini Truck for Cleaning Activity** Engagement of Mini Truck (TATA ACE or equivalent) for 732 Day transportation & disposal of garbages from colony area including all costs, conveyance, fuels, driver, maintenance charges etc, complete in all respect as per the direction of Engineer-in-charge in regular daily basis. **Road Sweeper for Cleaning Activity**

Fingagement of Road Sweeping machine (Roots / equivalent) for sweeping of roads in vacuum mechanised manner in colony area including all costs, conveyance, fuels, consumables, driver, maintenance charges etc, but excluding dST	Sl No	Detail Description	Unit	Quantity	Rate (Rs.)	Amount (Rs.)
including all costs, conveyance, fuels, consumables, driver, maintenance charges etc, complete in all respect as per the direction of Engineer-in-charge in regular daily basis. Sub Total (Part-A) Excluding GST Part-B (OPGC-II, New Infrastructure Area) Unskilled Manpower, Colony Cleaning Engagement of Unskilled manpower for Cleaning and Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. 2. Seni-skilled Manpower, Colony Cleaning Engagement of Semi-skilled manpower for Cleaning and Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. 3. Skilled Manpower, Colony Cleaning Engagement of Skilled manpower for Cleaning and Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. 4. Grass Cutting Machine for Cleaning Activity Engagement of Sense Cutting Machine (Honda Grass Cutting Machine 35°CC or equivalent) for cutting of wild grass and bush in colony area including all costs, conveyance, fuels, consumables, maintenance charges etc, but excluding the cost of operator & helper, complete in all respect as per the direction of grass cutting machine will be utilised from the respective items of BoQ. 5. Chain Saw Machine for Cleaning Activity Engagement of Petrol Operated Chain Saw Machine (24" and more size) for cutting and trimming of trees in colony area including all costs, conveyance, fuels, consumbles, maintenance charges etc, but excluding the cost of operator, complete in all respect as per the direction of Engineer-in-charge in regular daily basis. Operator for operation of Chain Saw machine will be utilised from the respective items of BoQ. 5. Chain Saw Machine for Cleaning Activity Engagement of Petrol Operated Chain Saw machine will be utilised from the respective items of BoQ. 6. Ploor Scrubber Cleaning Machine for Cleaning Activity Engagement of Sand pushed electrically operated Wizzard Mim office buildings in colony area including a			Hour			
maintenance charges etc. complete in all respect as per the direction of Engineer-in-charge in regular daily basis. Sub Total (Part-A) Excluding GST Part-B (OPGC-II, New Infrastructure Area) 1 Unskilled Manpower, Colony Cleaning Engagement of Unskilled manpower for Cleaning and Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. 2 Semi-skilled Manpower, Colony Cleaning Engagement of Semi-skilled manpower for Cleaning and Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. 3 Skilled Manpower, Colony Cleaning Engagement of Skilled manpower for Cleaning and Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. 3 Skilled Manpower, Colony Cleaning Engagement of Skilled manpower for Cleaning and Housekeeping activities in Colony and Resource Centre areas as per the direction of the Engineer-in-Charge. Grass Cutting Machine for Cleaning Activity Engagement of Grass Cutting Machine for Grass Cutting Machine (Honda Grass Cutting Machine SCC or equivalent) for cutting of vivil grass and bush in colony area including all costs, conveyance, fuels, consumables, maintenance charges etc, but excluding the cost of operator & Helper for operation of grass cutting machine will be utilised from the respective items of BoQ. 5 Chain Saw Machine for Cleaning Activity Engagement of Petrol Operated Chain Saw Machine (24* and more size) for cutting and trimming of trees in colony area including all costs, conveyance, fuels, consumables, maintenance charges etc, but excluding the cost of operator on Chain Saw machine will be utilised from the respective items of BoQ. 6 Floor Scrubber Cleaning Machine for Cleaning Activity Engagement of Road pushed electrically operated Floor Scrubber Machine (Roots or equivalent) for cleaning of floor in public and office buildings in colony area including all costs, conveyance, consumables, maintenance charges etc, but excluding t

Operator for operation of Floor Scrubber machine will be utilised from the respective items of ROO.						
charge in regular daily basis. Operator & Helper for operation of grass cutting machine will be utilised from the respective items of BOQ. 5 Chain Saw Machine for Cleaning Activity Engagement of Petrol Operated Chain Saw Machine (24" and more size) for cutting and trimming of trees in colony area including all costs, conveyance, fuels, consumables, maintenance charges etc, but excluding the cost of operator, complete in all respect as per the direction of Engineer-in-charge in regular daily basis. Operator for operation of Chain Saw machine will be utilised from the respective items of BOQ. 6 Floor Scrubber Cleaning Machine for Cleaning Activity Engagement of hand pushed electrically operated Floor Scrubber Machine (Roots or equivalent) for cleaning of floor in public and office buildings in colony area including all costs, conveyance, consumables, maintenance charges etc, but excluding the cost of operator, complete in all respect as per the direction of Engineer-in-charge in regular scheduled basis. Operator for operation of Floor Scrubber machine will be utilised from the respective items of ROO. 7 Wizzard Mini Floor Washer Machine for Cleaning Activity Engagement of hand pushed electrically operated Wizzard Mini Floor Washer Machine (Roots or equivalent) for cleaning of floor in public and office buildings in colony area including all costs, conveyance, consumables, maintenance charges etc, but excluding the cost of operator, complete in all respect as per the direction of Engineer-in-charge in regular scheduled basis. Operator for operation of Floor Scrubber machine will be utilised from the respective items of ROO.						
grass cutting machine will be utilised from the respective items of BOQ. 5 Chain Saw Machine for Cleaning Activity Engagement of Petrol Operated Chain Saw Machine (24" and more size) for cutting and trimming of trees in colony area including all costs, conveyance, fuels, consumables, maintenance charges etc, but excluding the cost of operator, complete in all respect as per the direction of Engineer-in-charge in regular daily basis. Operator for operation of Chain Saw machine will be utilised from the respective items of BOQ. 6 Ploor Scrubber Cleaning Machine for Cleaning Activity Engagement of hand pushed electrically operated Floor Scrubber Machine (Roots or equivalent) for cleaning of floor in public and office buildings in colony area including all costs, conveyance, consumables, maintenance charges etc, but excluding the cost of operator, complete in all respect as per the direction of Engineer-in charge in regular scheduled basis. Operator for operation of Floor Scrubber machine will be utilised from the respective items of BOO. 7 Wizzard Mini Floor Washer Machine for Cleaning Activity Engagement of hand pushed electrically operated Wizzard Mini Floor Washer Machine (Roots or equivalent) for cleaning of floor in public and office buildings in colony area including all costs, conveyance, consumables, maintenance charges etc, but excluding the cost of operator, complete in all respect as per the direction of Engineer-in-charge in regular scheduled basis. Operator for operation of Floor Scrubber machine will be utilised from the respective items of BOO.
