ODISHA POWER GENERATION CORPORATION LIMITED
(A Government of Odisha undertaking)
AT-IB THERMAL POWER STATION, PO: BANAHARPALI, DIST: JHARSUGUDA, ODISHA-768234
Phone no: (Land Line No. 06645-289232/221/355/356/245)

NOTICE INVITING TENDER

OPGC invites sealed bids from bona fide and financially sound Registered Agencies /Firms /Companies for execution of the following Works for its Thermal Power Plant at Banharpali.

Sl. No	Name of the Work	Tender Cost (Rs.)	EMD (Rs.)
1	Painting of Building inside Main Plant & CHP area at ITPS (Phase-I)	2,000/- including GST	2,32,000/-

Online EMD Collection:- <https://payments.billdesk.com/bdcollect/bd/odishapowergenerationcorporationltd/19850>

In addition to the conventional modes of submission, Bank Guarantees in the form of Electronic Bank Guarantee (e-BG) shall be accepted for all purposes including Earnest Money Deposit (EMD)/Bid Security, Performance Security, Defect Liability Security, and Security against Mobilization Advance.

Participation -MSTC

Mandatory Registration: All prospective bidders must register themselves on the MSTC e-Procurement Portal (www.mstcecommerce.com) to participate in the tendering process. Since this tender is hosted and published exclusively on the MSTC platform, bids submitted through any other mode will not be entertained.

Cost of bid document (non-refundable) shall be paid by Demand Draft in favour of OPGC Ltd. drawn on State Bank of India (Code-9510) / Union Bank of India (Code-UBIN0806625) / Central Bank of India (Code-283899) payable at ITPS, Banharpali or ICICI Bank (Code-ICIC0003679) payable at Telenpali. Cost of bid document shall have to be submitted along with the bid and the DD towards the tender cost (separate from EMD) should be prepared on or before the last date of submission/receipt of tender, otherwise the bid shall be liable for rejection. Small scale industries/National Small-Scale Industries Corporation/ MSME firms are exempted from payment of Cost of bid document only if they are entitled for exemption of the offered service. Tenderers seeking exemption shall claim in advance along with the photocopy of Valid Registration Certificates at least two days before the due submission date. However, OPGC reserves the right to accept/ reject the exemption request if the same is found unauthenticated or not relevant to the offered item. In case of any discrepancy found between tender document submitted by the agency and the master copy in our office, the latter should prevail. No claim on this account shall be entertained.

NB: Bidders having the requisite qualifying requirements as specified in the bid document shall only be considered for tender evaluation.

DGM-CONTRACTS

SAFE & CLEAN POWER IS OUR COMMITMENT

OPGC encourages all existing or new vendors/suppliers to register with us as empaneled vendors. Please visit our website www.opgc.co.in for details.

Painting of Buildings inside Main Plant & CHP area at ITPS (Phase-I)

Scope of Work

SI No	Description of Items	Unit	Quantity
1	Providing & Painting Distemper 02 Coats		
	Providing & Painting 02 (two) coats with approved brand & shade Distemper Paint with warranty (As described in the Technical Specification of the Tender document / Service Order) on old / new surface at all heights and elevations including thorough cleaning, rubbing out moss and loose scales etc and preparation of the surface area of application, including all cost, conveyance, T&P, scaffolding & labour charges etc. complete as per direction of Engineer-in-charge.	SqM	11,271
2	Providing & Painting Snowcem 02 Coats		
	Providing & Painting with Cement base paint (Super Snowcem) 02 (two) coats on old / new surface using approved Brand and shade Super Snowcem (As described in the Technical Specification of the Tender document / Service Order) at all heights and elevations including thorough cleaning, rubbing out moss and loose scales etc and preparation of the surface area of application, including all cost, conveyance, T&P, scaffolding & labour charges etc. complete as per direction of Engineer-in-charge.	SqM	4,458
3	Painting Weatherproof exterior emulsion paint 02 coats over a coat of Primer		
	Providing and painting with weatherproof anti fungal exterior emulsion paint 02 (two) coats over a coat of acrylic primer on old / new surface using approved brand and shade weatherproof paint / primer (As described in the Technical Specification of the Tender document / Service Order) at all heights and elevations including thorough cleaning, rubbing out moss and loose scales etc and preparation of the surface area of application, including, cost, conveyance, T&P, Scaffolding and labour charges etc complete as per the direction of Engineer-in-Charge.	SqM	17,170
4	Providing & Painting Plastic Emulsion Paint 2coat		
	Providing & Painting 02 (two) coat with approved brand & shade Plastic Emulsion Paint (As described in the Technical Specification of the Tender document / Service Order) on old / new surface at all heights and elevations including thorough cleaning, rubbing out moss and loose scales etc and preparation of the surface area of application, including all cost, conveyance, T&P, scaffolding & labour charges etc. complete as per direction of Engineer-in-charge.	SqM	6,100
5	Providing & Painting Synthetic enamel paint 02 coats over a coat of primer		
	Providing & Painting 02 (two) coat with approved brand & shade Synthetic enamel Paint over a coat of Wood primer / Red oxide primer (As described in the Technical Specification of the Tender document / Service Order) at all heights and elevations on new/old wooden/masonry/ steel surface including thorough cleaning, rubbing out loose scales etc and preparation of the surface area of application, including all cost, conveyance, T & P, scaffolding & labour charges etc. complete as per direction of Engineer-in-charge.	SqM	3,021
6	Sign Board/Wall writing 03 coats with Synthetic Enamel Paint		
	Writing on sign boards/walls etc. with any letter size with Synthetic enamel paint including painting of base with any approved brand & shade 03 coats including priming (As described in the Technical Specification of the Tender document / Service Order) at any elevation including cost, conveyance, scaffolding, T&P, labour etc. complete as per direction of Engineer-in-charge.	SqM	210
7	12mm Cement Plaster (1:6) all heights		
	Providing and applying 12mm thick cement plaster with cement mortar (1:6) at all height and elevations over brick masonry work finished smooth after taking out joints including cost of all materials, watering, curing cost, conveyance, royalties of all materials, T&P, scaffoldings and labour charges etc. complete as per direction of Engineer-in-charge.	SqM	6,350
8	S & F 4mm clear acrylic sheet in windows		

	Providing and fixing of 4mm thick clear acrylic sheet in window with 9mm aluminium channel beading, screwed to the frame after drilling holes etc. complete at any elevation including cost of acrylic sheets, T&P, scaffoldings, wastage, transportation etc. complete as per direction of EIC.	SqM	327
9	Removing Old Cement Plaster		
	Removing old cement plaster of all thickness from walls including racking out joints at all levels and elevations and removing the debris within 50mtr lead including conveyance, labour charges, T&P, scaffoldings, sundries etc. complete in all respect as per direction of Engineer in Charge	SqM	6,350
10	Erection of Scaffolding with MS Pipe		
	Providing, mobilising and erecting MS pipe Scaffolding as per OPGC safety standard with all safety measures, platforms, toe guards, ladders etc for height work including dismantling, removing and demobilising the scaffolding materials from site after the completion of work, complete in all respect including all cost, conveyance, labour charges etc complete as per the direction of Engineer in charge.	SqM	5,550

SPECIAL CONDITIONS OF CONTRACT

Painting of Buildings inside Main Plant & CHP area at ITPS (Phase-I)

- 1) The period of contract is 01 (One) Year from the date of Issue of LOI / Work Order excluding mobilization period of 7 days.
- 2) It is a work contract. The prices quoted by the contractor will remain firm throughout the contract period. Any changes in minimum wages or material rates during the contract period as mentioned in point no.1, should be borne by the contractor. The Agency should quote his rates taking all probabilities into consideration.
- 3) The contractor is required to mobilize his men, materials, plant & equipment at the work site within 07 days of intimation to start the work, failing which the Engineer-In-Charge will annul the contract agreement at his discretion. In the event of any such annulment, the owner reserves the right to recover the cost and other financial losses from the contractor in any manner deemed legally correct besides forfeiture of the EMD converted as ISD. The onus of proving that the delay in mobilization was beyond the control lies with the contractor. The Engineer-in-charge after satisfying himself with the reason for the delay if any may allow extension of time to avoid the annulment of the contract.
- 4) The contractor shall be fully responsible for his workers with regards to terms of employment. OPGC will not be held responsible in any manner whatsoever in respect of worker engaged by the contractor.
- 5) 15% of gross bill value will be deducted towards security deposit (SD), which will be released as follows. The total Defect Liability Period of the work is 05 (five) years from actual date of completion of work.
 - a. 30% of the SD amount will be released after 01 (One) year from the date of actual completion of work
 - b. 30% of the SD amount will be released after 03 (Three) years from the date of actual completion of work.
 - c. 40% of the SD amount will be released after 05 (Five) years from the date of actual completion of work
- 6) Running Bills shall be paid to the contractor after submission of Bill along with prescribed measurements, material statement and statutory documents.
- 7) The contractor shall disburse the wages to the worker on or before 7th day of completion of the wage period through Bank Payment.
- 8) In the event failure of contractor to undertake/attend to any job/ supply of materials specified under the scope within the specified time period, the Engineer-in-charge shall have the right to levy penalty as deemed suitable equal to 10% of the cost for that item of work/ material. Accordingly, the actual billing amount shall stand reduced to the extent of penalty cost imposed/recovered.
- 9) If any other item which is not mentioned in the bill of quantities, but is required to be executed for the work, the agency will have to execute the same at the schedule of rate of Govt. of Odisha / approved rate of OPGC.
- 10) The contractor shall abide by the "EHS policy" and General Guidelines for Environmental protection of OPGC.
- 11) ESI Registration of the Contractor and enrolment of workmen under ESI is Mandatory.
- 12) The contractor shall abide by the legal provisions with regards to Health, welfare and safety of workers engaged by him. He is also responsible for medical care of the person engaged by him.
- 13) All the staff and workmen as mentioned in the scope of work must undergo safety training.
- 14) Any defective work noticed within the defect liability period of 05 (five) years shall be rectified by the contractor immediately on receipt of information.

- 15) Agency has to execute any quantity of work as required however small/ large it may be.
- 16) Agency has to make all arrangements for safe execution of work without hampering the day-to-day activities of the Workplace.
- 17) All materials brought into the plant by the contractor are to be recorded in the Main Plant Gate and the same will be submitted with bill.
- 18) The contractor will maintain a register at site in which all procurement of materials with date; daily consumption and balance shall be entered. The register should be available at all times for inspection by OPGC officials.
- 19) Permit to work (PTW) will be obtained before the execution of job as per the direction of OPGC officer and the PJB shall be made before starting of any assigned activity.
- 20) Separate JSA will be done to execute the work at height.
- 21) The agency has to arrange a presentation session before starting of the work to explain the methodology and safety work activities involved for painting of different buildings inside Main Plant and CHP area as scheduled in this scope. In this session all the officials and workmen of the agency, OPGC Safety Team, department EIC will be present. The safe work procedure has to be approved by OPGC Safety officials before starting work.
- 22) The approved Field Quality Plan (FQP) and Hold & Check Point (H&C) of OPGC for painting work is to be followed.
- 23) The contractor/ his supervisors & Engineers will report regarding plan & the progress of work at 8.30 A.M. daily at the Civil Maintenance Office.
- 24) Florescent Jacket is to be provided to all the workmen by the contractor.

TECHNICAL SPECIFICATION

Painting of Buildings inside Main Plant & CHP area at ITPS (Phase-I)

- 1) All the Painting materials, if felt necessary, will be subjected to test at the cost and risk of the agency.
- 2) Any defective materials brought to the site should be removed immediately by the agency at the instance of department.
- 3) Agency has to arrange all the painting materials required for the work as per the item specifications. Details of approved makes, brands and warranty of Painting done are mentioned below.
- 4) The quantity mentioned in the schedule of quantities is purely tentative. At any point of time, the agency may be asked to execute any quantity of work as per the site requirement.
- 5) All the materials/ Paints are to be approved by the concerned Engineer-in-charge before use.
- 6) All work is to be carried out without causing hindrance to day-to-day activity inside Main Plant area.
- 7) Agency has to make his own arrangement of construction water for the works from available points only.
- 8) Electricity, if required by the agency, shall be supplied free of charge. The contractor has to make all necessary arrangements for safe supply of electricity, but the connection shall be given by department people.
- 9) On-Site quality test, if required, will be carried out by the OPGC Officials. Required testing gadgets will be arranged by the Contractor.
- 10) The Contractor has to make his own arrangement for constructing material godown, workshop, office etc inside the Plant premises with due permission from department/ EIC at the allocated space. After the contract expiry period, the site must be cleared and handed over back to EIC prior to final settlement.
- 11) Work will be executed following the specifications of the respective TDS of Paints as declared by the manufacturer.
- 12) The manufacturers test certificate (MTC) of the paints mentioning the production batch number for the procured paints has to be submitted by the agency along with the challan.
- 13) The approved FQP of OPGC for Painting work will be followed.
- 14) The agency will carry out all the painting work at all elevations following OPGC safety norms. Accordingly, the agency has to arrange all the required scaffolding materials, high reach equipment (Man lifter), hanging platforms, winch, etc in his own cost. The procedure for execution of safe work and method statement has to be submitted by the agency prior to starting the work during mobilization period.
- 15) Any surface defects (minor cracks/ pin holes/ un-even surface etc) shall be repaired with crack seal materials/ wall putty as required for smoothening the wall surface prior to painting, which is included in the scope without any additional cost.
- 16) Approved Make, Brand & Warranty are as follows:

Start Price	The start bid price as decided by OPGC tender committee shall be displayed at MSTC Limited auction platform during start of the e-RA.

1. The financial bid process will comprise of two rounds. In the first round, the IPO of the techno-commercially qualified bidders will be opened & ranked on the basis of ascending order for determination of qualified bidders. Best five (L-1 to L-5) bidders would be qualified bidders for E-RA and such qualified bidders shall be eligible to participate in the E-RA and submit their FPO with respect to the bid.
2. In case of tie for L5 bid, all the bidders offering L5 will be allowed for e-RA.
3. Bidders must be a registered user to bid for Buyer ("OPGC") in MSTC portal www.mstcecommerce.com/eprochome/opgc. Bidders need to have their Login ID and Password prior to e-Reverse Auction.
4. Bidders have to participate as per the e-Reverse Auction time and date communicated to them & based upon e-Reverse Auction invitation for particular Auction.
5. Quotation once submitted through e-Reverse Auction cannot be withdrawn /deleted. Otherwise, the EMD submitted by the bidder shall stand forfeited.
6. Buyer reserves the right to ban the bidder from participating in e-Reverse Auction without any explanation/reason at any stage of e-Reverse Auction.
7. Buyer reserves the rights to extend / cancel the e-Reverse Auction.
8. E-Reverse Auction shall be conducted in Indian Rupees only.
9. All prices submitted by Bidder in e-Reverse Auction shall be as per Tender's Terms & Conditions.
10. Validity of bids: As mentioned in Tender Document.
11. Written Confirmation shall be taken in advance regarding participation in the e-Reverse Auction to buyer along with the Authorized person name and details
12. Buyer reserves the right to award the Purchase Order / Service Order as per buyer's discretion irrespective of Live Auction Rank.
13. Buyer reserves the right to repeat the e-Reverse Auction of same package.
14. **After completion of e-Reverse Auction, the lowest evaluated bid of all the bids submitted in manual and e-Reverse Auction process shall be considered for award of the Purchase order / Work order.**

15. The bidders shall quote from their own offices/ place of their choice. Internet connectivity shall have to be ensured by bidders themselves.
16. If the Bidder or any of his representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by communicating with other bidders, OPGC at its own discretion shall debar the bidder from the e-Reverse Auction/Tender and future participation also.
17. OPGC reserves the right to cancel the e-Reverse Auction process/ tender at any time, before ordering, without assigning any reason and may go for manual opening of price bids as per standard practice.
18. OPGC shall not be liable for any interruption or delay in accessing the MSTC portal irrespective of any cause. In such cases, the decision of OPGC shall be binding on the bidders.
19. Other terms and conditions shall be as per NIT, bidder's techno-commercial Bid and other latest correspondences/ final confirmations, (if any) against the NIT.
20. If any item is not quoted by a bidder, the maximum price quoted by the other participated bidders for that item shall be considered for arriving evaluated price of that bidder.
21. The total L1 Price obtained through e-Reverse Auction shall be proportionately distributed among each line item in line with the price quoted and evaluated in the hard copy price bid.
22. The price quoted in e-Reverse Auction is the total price for all the items and quantity as per Price Schedule of NIT irrespective of any omission by the bidder in the hard copy price bid.
23. In case, the L1 Bidder in e-Reverse Auction and manual Tender happens to be the same bidder, then minimum price among both shall be considered as L1. If the bidder disagrees to accept the said condition, then his EMD shall be forfeited. Apart from this the bidder will be debarred from participating in future e-Reverse Auction/Tender of OPGC.
24. Each Bidder shall get the final loading factor (%age of the quoted price) from OPGC before e-Reverse Auction for the deviations, if any, taken by them in the techno-commercial bid.
25. The Price quoted in the e-Reverse Auction shall be inclusive of all applicable taxes, duties and levies, deviations considering the loading factor (got from OPGC/Tender Condition as mentioned in above clause) on his quoted price. However, the GST shall be paid extra as applicable and not included in the loading factor as well as total price.

UNDERTAKING

I hereby undertake that I agree to the “**Rules and Regulations of the e-Reverse Auction**” mentioned herein.
